Scotland's Approach  
What Matters?  
How We Do It

Scotland's curriculum –  
Curriculum for Excellence –  
helps our children and young  
people gain the knowledge, skills  
and attributes needed for life in  
the 21st century.

**Opportunities for personal  
achievement**

**Interdisciplinary  
learning**

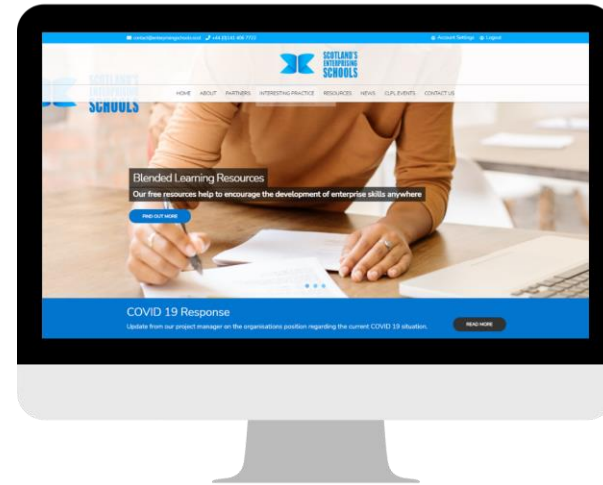

**The Curriculum**  
'the totality of all that is planned  
for children and young people  
throughout their  
education'

**Ethos and life of the  
school as a community**
